The Surprise That Wasn't Supposed to Be a Surprise

Jung Ho-seok was having a perfectly peaceful Saturday morning.

He was drinking coffee.

He was wearing comfortable sweatpants.

He was listening to music.

And most importantly—

Nobody was bothering him.

Then his phone buzzed.

Jin: *We're coming over.*

Hoseok stared at the message.

"No."

Another message.

Jin: *Surprise!*

Hoseok immediately called him.

"Hyung, what do you mean you're coming over?"

"I'm bringing everyone."

"Everyone?"

"Namjoon, Yoongi, Jimin, Taehyung, Jungkook…"

There was a pause.

“And your family.”

Hoseok nearly dropped his coffee.

“MY FAMILY?!”

Jin laughed.

“We’re surprising you!”

Hoseok looked around his living room.

His eyes widened.

Because sitting on the coffee table were two tiny pink-and-blue children’s cups.

On the couch was a stuffed rabbit.

And on the floor was a toy dinosaur.

Hoseok whispered:

“Oh no.”

He had completely forgotten to put away evidence.

Meanwhile, upstairs, Y/N was helping their daughter get dressed.

“Mommy?”

“Yes, sweetheart?”

“Is Daddy’s family coming today?”

Y/N froze.

“…What?”

The little girl smiled.

“Daddy said Grandpa Jin might bring everyone.”

Y/N slowly turned toward the stairs.

“Hoseok.”

From downstairs came a panicked voice.

“I KNOW!”

Seven Men, One Family, Zero Preparation

Thirty minutes later—

DING DONG!

Hoseok's eyes widened.

"They're here."

Y/N stared at him.

"You told me they weren't coming."

"I thought I could trust Jin."

"That was your first mistake."

Another doorbell.

Then another.

Then loud voices.

"HOSEOK!"

"HYUNG!"

"J-HOPE!"

"OPEN THE DOOR!"

Hoseok took a deep breath.

"Okay."

He opened the door.

Standing outside were the six BTS members.

Behind them was a large portion of Hoseok's family.

Everyone shouted:

"**SURPRISE!**"

Hoseok smiled nervously.

"Oh… wow…"

Jin immediately hugged him.

"Look at our little surprise victim!"

Jimin walked inside.

Taehyung followed.

Jungkook carried several bags of food.

Yoongi quietly entered while already looking for somewhere to sit.

Namjoon smiled politely.

Then Hoseok's mother walked in.

"Hoseok, why do you look nervous?"

"I don't."

"You absolutely do."

Before Hoseok could answer—

A tiny voice came from upstairs.

"Daddy?"

Silence.

Every adult froze.

Jungkook slowly turned his head.

“Did she just say…”

“Daddy?”

Hoseok closed his eyes.

“Here we go.”

A little girl walked down the stairs.

She had Hoseok’s smile.

She was holding a stuffed rabbit.

Behind her came a little boy dragging a dinosaur.

He looked at the crowd.

Then looked at Hoseok.

“Daddy, why are there so many people?”

Nobody breathed.

Jin’s mouth dropped open.

Jimin’s eyes became enormous.

Taehyung whispered:

“Hyung…”

Yoongi blinked.

Namjoon stared.

Jungkook pointed at the children.

“HYUNG.”

Hoseok swallowed.

“Yes?”

“You have children?!”

The World's Longest Silence

Nobody spoke for approximately ten seconds.

Then—

“**WHAT?!**”

The entire house exploded.

Jin grabbed Hoseok’s shoulders.

“YOU HAVE CHILDREN?!”

“Hyung—”

“HOW LONG?!”

“Jin—”

“WHY DIDN’T YOU TELL US?!”

“I was going to—”

“WHEN?!”

Hoseok pointed toward the children.

“Can we maybe not discuss my entire personal life in front of them?”

Jimin immediately crouched down in front of the little girl.

“Hi!”

The girl stared at him.

“Hello.”

Jimin placed both hands over his heart.

“Oh my goodness.”

Taehyung crouched beside him.

“What’s your name?”

The girl smiled.

“I’m Hana.”

Everyone collectively melted.

Then the little boy stepped forward.

“My name is Min.”

Jungkook whispered:

“I’m going to cry.”

Yoongi looked at him.

“You cry over everything.”

“Not true.”

“You cried over a cartoon last week.”

“That was emotional!”

Meanwhile, Hoseok’s mother was staring at her son.

“Hoseok.”

“Yes, Mom?”

“You have a daughter.”

“Yes.”

“And a son.”

“Yes.”

“And a girlfriend.”

Hoseok nodded.

“Yes.”

She stared at him.

“For how long?”

Hoseok looked at Y/N.

Y/N gave him a sympathetic smile.

He sighed.

“A few years.”

His mother’s jaw dropped.

“A FEW YEARS?!”

Hoseok winced.

Jin whispered to Namjoon:

“We’re all going to die.”

Namjoon nodded solemnly.

“Probably.”

Meet Y/N

Y/N finally came downstairs.

She stood beside Hoseok.

“Hi.”

Everyone turned toward her.

Hoseok immediately took her hand.

“This is Y/N.”

Jin pointed dramatically.

“THE Y/N?”

Y/N blinked.

“…I assume so.”

Jimin covered his mouth.

Taehyung smiled.

Jungkook whispered:

“She exists.”

Yoongi raised an eyebrow.

“What did you think she was?”

“An elaborate cover story.”

Hoseok sighed.

“Thank you for your support.”

Y/N laughed.

Hoseok squeezed her hand.

Then his mother approached.

Y/N immediately became nervous.

“Mrs. Jung, I’m so sorry we didn’t tell anyone—”

Hoseok’s mother pulled her into a hug.

Y/N froze.

“Oh!”

“You’re family,” his mother said warmly.

Y/N’s eyes filled with tears.

Hoseok smiled.

His mother pulled back.

“But I’m still angry with my son.”

Hoseok’s smile disappeared.

“Fair.”

She pointed at him.

“You kept this beautiful woman and these two children secret from me?”

“I was protecting our privacy.”

She narrowed her eyes.

“You could have told your mother.”

“Yes.”

“I’m still angry.”

“Yes.”

“Now come here.”

Hoseok stepped forward.

She hugged him.

Everyone laughed.

Hoseok whispered:

“Are you still angry?”

“Yes.”

“Okay.”

BTS Discovers Their New Roles

Within an hour, the six members had completely accepted the children.

Unfortunately for Hoseok, they had also assigned themselves official uncle duties.

Jin declared:

“I am the cool uncle.”

Yoongi immediately said:

“No.”

Jin frowned.

“Why?”

“Because you’re not cool.”

“I am extremely cool.”

Hana looked at Jin.

“Uncle Jin is funny.”

Jin pointed triumphantly.

“SEE?”

Yoongi sighed.

“Fine.”

Jimin immediately volunteered.

“I’ll be the uncle who buys them cute clothes.”

Taehyung raised his hand.

“I’ll take them to museums.”

Jungkook said:

“I’ll teach them sports!”

Namjoon smiled.

“I can help them with books and homework.”

Everyone looked at Yoongi.

He shrugged.

“I’ll provide snacks.”

The children cheered.

“Uncle Yoongi!”

Yoongi blinked.

“…I like this job.”

Hoseok watched the chaos.

“You guys realize you’re encouraging them, right?”

Jungkook grinned.

“That’s what uncles are for.”

Y/N laughed.

Hoseok leaned toward her.

“We’re doomed.”

She smiled.

“Completely.”

He kissed her forehead.

Unfortunately, Jin saw it.

“AH!”

Hoseok jumped.

“What?”

“You two are disgusting.”

Jimin gasped.

“Hyung is romantic!”

Taehyung smiled.

“Very romantic.”

Hoseok turned red.

“Can everyone stop watching us?”

“No,” all six answered simultaneously.

The Family Group Chat Explodes

That evening, Hoseok's family created a group chat.

The title:

JUNG FAMILY EMERGENCY

Hoseok stared at his phone.

"Why is there an emergency group chat?"

His sister replied:

Because you have been hiding an entire family.

His mother sent:

I still can't believe I am a grandmother twice over.

His father sent:

I am happy. But we need to discuss why you didn't tell us.

Hoseok groaned.

Y/N leaned over his shoulder.

"They love you."

"I know."

"Then stop worrying."

He looked at her.

"I just wanted to protect you."

Y/N smiled softly.

“I know.”

Their daughter climbed onto the couch.

“Daddy?”

“Yes?”

“Can Uncle Jimin come tomorrow?”

Hoseok looked at Y/N.

She shrugged.

“Probably.”

Their son added:

“And Uncle Jungkook.”

Hoseok sighed.

“And Uncle Jungkook.”

The phone buzzed again.

Jin: *I am also coming.*

Hoseok typed:

No.

Jin replied:

Too late.

The Secret Doesn't Stay Secret

Unfortunately, the world of social media moved faster than Hoseok could.

Someone had noticed BTS members entering Hoseok’s home.

Then someone spotted a family member carrying children’s toys.

Then a blurry photograph appeared online.

And eventually—

A photo of Hoseok holding his daughter’s hand while Y/N walked beside him surfaced.

The internet exploded.

Within minutes:

“IS J-HOPE A FATHER?”

“WHO IS THE WOMAN WITH HIM?”

“ARE THOSE HIS CHILDREN?”

“BTS MEMBER J-HOPE FAMILY RUMORS TREND WORLDWIDE.”

Hoseok stared at his phone.

Y/N sat beside him.

The children were asleep upstairs.

“It’s happening,” she whispered.

Hoseok nodded.

“I know.”

She took his hand.

“Are you okay?”

He looked at her.

“I am if you are.”

She smiled.

“I am.”

He kissed her hand.

“We’ll handle it together.”

Meanwhile, the BTS group chat was absolute chaos.

Jin: *EVERYONE STAY CALM.*

Jungkook: *HYUNG THIS IS NOT CALM.*

Jimin: *I’m trending.*

Taehyung: *We’re all trending.*

Namjoon: *Please don’t post anything.*

Yoongi: *Too late. Jin posted a selfie.*

Jin: *It was a beautiful selfie.*

Yoongi: *You are holding a dinosaur.*

Jin: *The dinosaur is part of the family.*

ARMY Finds Out

When the truth became public, ARMY's reaction was enormous.

There were shock posts.

There were memes.

There were emotional messages.

But overwhelmingly, fans expressed happiness that Hoseok had found love and built a family.

One post went viral:

"We spent years calling J-Hope our sunshine, and apparently he was busy being someone's entire universe at home."

Another said:

"THE MAN HAD A WHOLE FAMILY AND STILL HAD TIME TO MAKE US HAPPY."

Then came the memes.

One fan edited a photo of the seven BTS members with the caption:

"BTS: We know everything about each other."

Then:

J-Hope: Apparently not."

Another meme showed Jin looking horrified.

Caption:

"JIN FINDING OUT HE HAS TWO NEW NIECES/NEPHEWS BEFORE HE WAS INFORMED."

Hoseok laughed when he saw it.

Y/N leaned over.

“What are you laughing at?”

He showed her.

She burst out laughing.

“Your members are going to be traumatized forever.”

“Probably.”

Their daughter walked into the room.

“Daddy?”

“Yes?”

“Why are people talking about us?”

Hoseok’s expression softened.

He knelt down.

“Sometimes people are curious about families they see online.”

“Are they angry?”

“No.”

“Are they mean?”

“Some people might be.”

She looked worried.

Y/N knelt beside them.

“But you have Daddy, Mommy, your brother, Grandma, Grandpa, and all your uncles.”

The girl smiled.

“And Uncle Jin?”

Hoseok laughed.

“Yes. Unfortunately, Uncle Jin too.”

The Family Dinner

Hoseok decided the best way to deal with everything was simple:

Family dinner.

Everyone gathered around the table.

His parents.

His siblings.

Y/N.

Their children.

All six BTS members.

It was chaotic.

Jin was feeding Hana.

Jimin was helping Min build a tower from napkins.

Taehyung was taking pictures.

Jungkook was teaching Min how to make funny faces.

Namjoon was trying to keep everyone from knocking over drinks.

Yoongi was eating peacefully.

Hoseok sat beside Y/N.

He looked around.

His family.

His members.

His girlfriend.

His children.

His eyes became slightly watery.

Y/N noticed.

“You okay?”

He smiled.

“Yeah.”

“What are you thinking about?”

He looked around again.

“I spent so much time worrying that everyone would react badly.”

Y/N squeezed his hand.

“And?”

He smiled.

“They’re fighting over who gets to babysit.”

Jin suddenly shouted:

“ME!”

Jimin:

“Absolutely not!”

Jungkook:

“I’m better!”

Taehyung:

“I’m the most responsible.”

Everyone stared at him.

Taehyung blinked.

“What?”

Yoongi quietly said:

“That’s debatable.”

Hoseok laughed.

His mother watched him.

Then she smiled.

“You’re happy.”

Hoseok nodded.

“Very.”

Y/N rested her head against his shoulder.

The children laughed.

And for the first time since the secret had been revealed—

Hoseok felt completely free.

Hobi's New Family

Months later, life had settled into something completely different.

Y/N was no longer a secret.

The children were no longer hidden.

Hoseok's family had become incredibly close to them.

And BTS?

They had become six ridiculously enthusiastic uncles.

Jin brought gifts.

Namjoon brought books.

Yoongi brought snacks.

Jimin brought clothes.

Taehyung brought art supplies.

Jungkook brought toys and challenged everyone to races.

Hoseok sometimes wondered how his quiet life had become so loud.

One afternoon, he sat outside with Y/N while their children played in the yard.

Y/N rested her head on his shoulder.

"Do you regret telling everyone?"

Hoseok shook his head.

"No."

"Not even a little?"

He smiled.

“I regret not telling them sooner.”

Y/N looked at him.

He took her hand.

“I was scared.”

“I know.”

“I thought if people knew about you, they would hurt you.”

Y/N smiled softly.

“But we’re okay.”

He kissed her forehead.

“We’re more than okay.”

From the yard came a scream.

“DADDY!”

Hoseok jumped up.

“What happened?!”

Hana pointed at Jungkook.

“Uncle Jungkook cheated!”

Jungkook shouted:

“I DID NOT!”

Jin yelled:

“THE CHILDREN HAVE EXPOSED YOU!”

Yoongi shouted from the patio:

“Everyone calm down!”

Namjoon accidentally knocked over a chair.

Taehyung started laughing.

Jimin was filming everything.

Hoseok looked at Y/N.

She looked back at him.

They both burst out laughing.

His once-secret life had become a beautiful mess.

His family had grown.

His heart had grown.

And his home was filled with laughter.

Hoseok wrapped an arm around Y/N.

“I love you.”

She smiled.

“I love you too.”

Their daughter ran toward them.

“Mommy! Daddy!”

Their son followed.

Behind them came six grown men arguing about who was responsible for the cheating accusation.

Hoseok laughed.

He had wanted to protect his happiness.

Instead, he discovered something even better.

He didn't have to hide it anymore.

Because love wasn't something he needed to be ashamed of.

It was something he could finally share.

And as the entire family gathered together under the evening sky, Hoseok smiled.

His family.

His children.

His Y/N.

His brothers.

His home.

His happiness.

His world.

And somewhere online, ARMY was probably still making memes about how J-Hope had secretly become a father of two.

Hoseok looked at his phone.

Another notification appeared.

ARMY: *WE LOVE YOU, J-HOPE AND YOUR WHOLE CHAOTIC FAMILY!*

He smiled.

Then Jin yelled from across the yard:

"HOSEOK! YOUR SON JUST STOLE MY PHONE!"

Hoseok sighed.

“MIN!”

The little boy ran away laughing.

“YOU CAN’T CATCH ME!”

Jungkook immediately chased him.

“WAIT FOR ME!”

Hoseok laughed.

Y/N laughed.

Everyone laughed.

And somehow, the biggest secret of his life had turned into the loudest, funniest, warmest family he could have ever imagined.
